

Sticklers® CleanStixx™ S12

OVERVIEW

1.25mm connector cleaning stick, for cleaning LC, MU and similar.

The Sticklers CleanStixx Connector cleaning sticks are reliable, inexpensive tools engineered for critical cleaning of end face connectors located in mating sleeves or the contact areas of receptacles used in high-speed fiber optic networks. The various diameter cleaning sticks are color-coded for easy size selection and perfect cleaning performance on any size interconnect. Sticklers CleanStixx connector cleaning sticks get any fiber network running faster and more reliable than any other cleaning technology on the market today.

- Perfectly cleans the entire end-face, not just the central core
- High-purity cleaning tips-no fabric, foam, glues or particulate
- Precision molded to exact size & shape, for better cleaning
- Packaged in high-purity, reclosable bags
- Color-Coded for easy selection
- Military approved with National Stock Numbers (NSN#)
- High-performance and low cost cleaning
